The hon. Sir K. Srinivasa Ayyangar :—" That is for each inspection and not the total amount."

The Raja of Ramnad :—" But the question seems to require the total amount."

The hon. Sir K. Srinivasa Ayyangar :—" I am sorry I have not got that information. All the information that I have is given in the answer."

The Raja of Ramnad :—" There is a rule that the District Superintendents of Police should levy so much for each inspection. I admit that the question is somewhat imperfect and I wish to know whether the hon. the Law Member would be good enough to call for information as to the total amount earned by each person issuing the certificate."

The hon. Sir K. Srinivasa Ayyangar :—" I am sorry I can find no use in collecting that information. What I have stated in the answer is all the available information on the subject."

Metalled roads under the local boards of Malabar and South Kanara.

739 Q.—Mr. A. D. M. Bavotti Sahib : Will the hon. the Minister for Local Self-Government be pleased to call for information, if not available at headquarters, and state how many miles of metalled roads are maintained by each of the taluk boards in the districts of Malabar and South Kanara ?
